Nordic Trustee AS (the “**Bond Trustee**”) is the appointed bond trustee for the holders of Bonds (the “**Bondholders**”) in the above mention bond issue (the “**Bond Issue**”) issued by Greenbit Energy AS (the “**Issuer**”).

All capitalized terms used but not defined herein shall have the meaning assigned to them in the bond terms for the Bond Issue dated 25 May 2022.

Reference is made to the Maturity Date for the Bond Issue on the 27 May 2025 and the press release from the Issuer dated 22 May 2025 informing that the Issuer will not be able to meet its payment obligations on the Maturity Date.

Due to this unpaid and due to technical requirements in the VPS, where the Bond Issue is registered, the Bond Issue will receive a new ISIN as set out below. The interest claim also due on the Maturity Date, and which the Issuer has informed that they plan to pay on the 30 May 2025 (including interest for late payment), will also receive a separate ISIN.
