

Notice of written procedure for senior secured notes issued by MobyLife Holding A/S

To holders of the up to SEK 450,000,000 senior secured notes due 2018 with ISIN SE0005936382 (the "Notes") issued by MobyLife Holding A/S (the "Issuer") on 23 May 2014.

Capitalized terms not otherwise defined in this notice shall have the meaning given to them in the terms and conditions relating to the Notes, as amended and restated in June 2015 and December 2016 (the "**Terms and Conditions**").

This notice has been sent by Intertrust (Sweden) AB (the "Agent") to direct registered owners and registered authorised nominees (*förvaltare*) of the Notes recorded as of 2 March 2018 in the debt ledger produced by Euroclear Sweden. If you are an authorised nominee under the Swedish Financial Instruments Accounts Act or if you otherwise are holding Notes on behalf of someone else on a Securities Account, please forward this notice to the holder you represent as soon as possible. See "Voting rights" in section B. (*Decision procedure*) for further information.

At the request of the Issuer, the Agent, acting in its capacity as agent for the Noteholders under the Terms and Conditions, hereby initiates a written procedure (the "**Written Procedure**") whereby the Noteholders can approve or reject a proposal from the Issuer to amend and restate the Terms and Conditions and provide certain consents and waivers under the Terms and Conditions. The request and the background thereto is described in section A. (*Request*) below.

Noteholders may participate in the Written Procedure by completing and sending the voting form attached below to the Agent. The Agent must **receive the voting form no later than by 12.00 (CET) on 28 March 2018** by mail, via courier or e-mail to the addresses indicated below. Votes received thereafter will be disregarded. Please note that the Written Procedure may expire early if the requisite majority consents of the total Adjusted Nominal Amount have been received before **28 March 2018**.

To be eligible to participate in the Written Procedure a person must fulfil the formal criteria for being a Noteholder on **9 March 2018** (the "**Record Date**"). This means that the person must be registered on a Securities Account with Euroclear Sweden as a direct registered owner (*direktregistrerad ägare*) or authorised nominee (*förvaltare*) with respect to one or several Notes.

If you have an interest in a Note but are not registered as a direct registered owner or authorised nominee on a Securities Account, you need to obtain a power of attorney or other proof of authorisation from the person who fulfils the formal criteria for being a Noteholder on the Record Date, to be able to participate. An alternative may be to ask the person that is registered as a Noteholder and holds the Notes on your behalf to vote in its own name as instructed by you. For further information on voting, please see under *Voting rights* in section B. (*Decision procedure*).

Please contact the securities firm you hold your Notes through if you do not know how your Notes are registered or if you need authorisation or other assistance to participate.

A. Request

Background

Agreement with Majority Committee Members

An informal committee of holders of Notes was formed, representing MSEK 93.75 of the outstanding nominal of the Notes, and the members of the committee have voted either in support of, or against, the Request (as defined below). **The result of such vote is that holders representing MSEK 81.9 of principal amount of Notes, or approximately 87.36% of the aggregate amount of principal held by the committee, has voted in support of the Request and has committed to vote in favour of the Request in the Written Procedure.** Holders representing MSEK 5.9 of principal amount of Notes, or approximately 6.29% of the aggregate amount of principal held by the committee, have voted against the Request.

Financial Position

Based on the severely deteriorated financial position of the Issuer as described in detail in the company announcement attached to this Notice as Appendix 2, the Issuer is of the opinion that it is unable to continue as a going concern without an immediate capital injection. However, the majority shareholder of the Company, CC Orange Invest ApS (the "**Owner**"), has agreed to provide the necessary funding to continue operations. However, such support is conditional on the full redemption of the Notes in accordance with the Request described in further detail below. The Request will require the amendments to the Terms and Conditions set out below to be consented to. The Request will enable the Company to make a full redemption of all outstanding Notes for a total payment for of SEK 120 per SEK 1,000 in nominal amount of Notes (including accrued and unpaid interest and any accrued default interest). The redemption will be funded by way of a capital injection from the Owner that will also provide cash to ensure the Issuer remains a going concern. The payment of the consideration to Noteholders will be guaranteed following approval of the Request by CataCap, the ultimate owners of the Issuer.

Accordingly, the Issuer is requesting that certain changes be made to the Terms and Conditions to allow the Issuer to return a proportion of the nominal amount of the Notes to Noteholders.

Given the Issuer's current financial situation, failure to successfully implement the changes requested as part of this written procedure is likely to have a material adverse effect on the financial position of the Group and the Issuer's ability to make any payment to Noteholders.

All Noteholders are strongly encouraged to review and consider the Company Announcement set out in Appendix 2 hereto.

Amendment to the Terms and Conditions

The amendment proposed to be made to the Terms and Conditions is as follows (as set out in full in Appendix 1):

- 1) Replacement of the voluntary total redemption (call option) provisions set out in Clause 9.3 of the Terms and Conditions with a mandatory redemption option which shall be exercised by the Issuer in whole and not in part before 30 April 2018 at a price of 12% of the Nominal Amount of each Note (such price including accrued but unpaid interest and any default interest payable).

Request

1. Considering the situation set out above, the Issuer is hereby requesting:

- 1) an amendment and restatement of the Terms and Conditions on the terms set out in the draft attached hereto as Appendix 1 (the "**Proposed Amended and Restated Terms and Conditions**"), being a comparison showing the proposed changes between the existing Terms and Conditions and the Proposed Amended and Restated Terms and Conditions;
- 2) the Noteholders must irrevocably and unconditionally waive their rights to receive any other payments or remuneration related to the Notes, whether linked to past ownership periods, the present default by the Issuer or events occurring between the approval of the Request and the actual pay-out of the redemption amount, thus that the payment of SEK 120 per SEK 1,000 in Nominal Amount of the Notes (such payment to include accrued but unpaid interest and any default interest payable) is the only payment to which the Noteholders will become entitled;
- 3) the Noteholders voting in favour of the Request irrevocably and unconditionally accept to waive to raise (or enable any third parties to raise) any other claims of any nature, whether monetary or not, against the Owner, the Issuer (including for the avoidance of doubt its board of directors and management) or CataCap and/or any of these parties' associated or affiliated entities, officers, directors, managements, employees or other related parties (the "**Waiver Recipients**"), except if such Noteholders were induced to agree to the terms of the Request on the basis of misleading information or grossly negligent misconduct on behalf of the Issuer or its owners; and
- 4) the Noteholders voting in favour of the Request irrevocably and unconditionally agree that the payment of SEK 120 per SEK 1,000 of nominal amount of the Notes by way of the redemption of all of the Notes represents the full and final settlement of any and all claims of any nature between the Noteholders and the Waiver Recipients, except if such Noteholders were induced to agree to the terms of the Request on the basis of misleading information or grossly negligent misconduct on behalf of the Issuer or its owners.

The requests set out in item 1) to 4) above are jointly referred to herein as the "**Request**".

2. Other than any consequential amendments required to effect the changes resulting from the Request, the remaining provisions of the Terms and Conditions will remain unchanged and continue to apply in their existing form.

Effectiveness of the Request

The effectiveness of the Request set out above is subject to:

1. the approval by the requisite majority of Noteholders;
2. that there has not been any initiation of bankruptcy proceedings or company reorganisation proceedings with respect to the Issuer as at the Effective Date; and
3. the provision of a guarantee from CataCap in respect of the payment of the consideration payable as a result of the exercise of the mandatory redemption option to be inserted into the Terms and Conditions as a result of the Procedure.

The Issuer shall provide the Agent with evidence, to the Agent's satisfaction, that the above conditions have been satisfied. The Agent shall immediately upon the receipt of such evidence inform the Noteholders that the Request has become effective and the date on which it has become effective (the "**Effective Date**") by way of sending a notice to Noteholders, publishing a press release and making an announcement on its website.

All Noteholders are strongly encouraged to review and consider the Request and the Proposed Amended Terms and Conditions set out in Appendix 1 hereto. The Agent is available for discussions and coordination of Noteholders if needed.

B. Decision procedure

The Agent will determine whether replies received are eligible to participate in the Written Procedure, continuously calculate the replies provided in respect of the Request and determine the result of the Written Procedure as soon as possible based thereon.

Once a requisite majority of consents of the Adjusted Nominal Amount for which Noteholders reply in the Written Procedure have been received by the Agent, the relevant decision shall be deemed to be adopted, even if the time period for replies in the Written Procedure has not yet expired.

Information about the decision taken in the Written Procedure will be sent by notice to the Noteholders, published on the websites of the Issuer and the Agent and published by way of press release by either the Agent or the Issuer.

Minutes from the Written Procedure shall at the request of a Noteholder be sent to it by the Issuer or the Agent, as applicable.

If the Request is approved by the Written Procedure it will be binding on all Noteholders whether they participated in the Written Procedure or voted against the Request or not, in accordance with the Terms and Conditions.

Voting rights

Anyone who wishes to participate in the Written Procedure must on 9 March 2018 (the "**Record Date**"):

(i) be registered on the Securities Account as a direct registered owner (*direktregistrerad ägare*); or

(ii) be registered on the Securities Account as authorised nominee (*förvaltare*),

with respect to one or several Notes.

If you are not registered as a direct registered owner, but your Notes are held through a registered authorised nominee (*förvaltare*) or another intermediary, you may have two different options to influence the voting for the Notes.

1. You can ask the authorised nominee or other intermediary that holds the Notes on your behalf to vote in its own name as instructed by you.

2. You can obtain a power of attorney or other authorisation from the authorised nominee or other intermediary and send in your own voting form based on the authorisation. If you hold your Notes through several intermediaries, you need to obtain authorisation directly from the intermediary that is registered in the Securities Account, or from each intermediary in the chain of holders, starting with the intermediary that is registered in the Securities Account as authorised nominee or direct registered owner.

Whether one or both of these options are available to you depends on the agreement between you and the authorised nominee or other intermediary that holds the Notes on your behalf (and the agreement between the intermediaries, if there are more than one).

The Agent recommends that you contact the securities firm that holds the Notes on your behalf for assistance, if you wish to participate in the Written Procedure and do not know how your Notes are registered or need authorisation or other assistance to participate.

Notes owned by the Issuer, any other Group Company or an Affiliate do not entitle the holders to any voting rights and are not included in the Adjusted Nominal Amount.

Quorum

Pursuant to Clause 16.7 of the Terms and Conditions, a quorum in respect of the Written Procedure will only exist if a Noteholder (or Noteholders) representing at least **fifty (50) per cent.** of the Adjusted Nominal Amount reply to the Request.

If a quorum does not exist, the Agent shall initiate a second Written Procedure, provided that the Request has not been withdrawn by the Issuer. No quorum requirement will apply to such second Written Procedure. At the option of each Noteholder, a voting form provided at or before 12.00 (CET) on 28 March 2018 in respect of the Written Procedure shall also remain valid for any such second Written Procedure.

Majority

Pursuant to Clause 16.5 of the Terms and Conditions, at least **eighty (80) per cent.** of the Adjusted Nominal Amount represented by Noteholders replying in the Written Procedure must consent to the Request in order for it to be approved.

Final date to vote in the Written Procedure

The Agent must have received the votes by mail, courier or e-mail to the address indicated below no later than by **12.00 (CET) on 28 March 2018.** Votes received thereafter will be disregarded.

13. Financial Undertakings

13.1.1 The first test date will be 31 December 2017.

13.2 Calculation Adjustments

13.2.1 Compliance with the Financial Undertakings shall be determined by reference to the most recent financial report prepared in accordance with the applicable Accounting Principles, *provided however that* such compliance shall be calculated and tested in each case on the basis of:

- (a) a market based exchange rate between the applicable currencies as published by the Swedish Central Bank (*Riksbanken*) on its website, including between DKK/SEK; and
- (b) the total aggregate nominal amount of Notes outstanding at the relevant test date, irrespective of any requirements in the Accounting Principles to the contrary.

13.2.2 Clause 13.2.1 shall also apply in respect of any other terms in these Terms and Conditions which require a ratio to be tested including any ratios based on Net Debt to EBITDA.

13.2.3 For the purpose of calculating the Net Debt to EBITDA Ratio (i) the transaction costs associated with the Acquisitions and (ii) any transaction costs associated with the issuance of the Notes shall be disregarded. EBITDA in relation to an acquired or disposed company shall be calculated on a *pro forma* basis as if such transaction had occurred on the first date of the relevant test period.

14. Acceleration of the Notes

14.1 The Agent is entitled to, and shall following a demand in writing from a Noteholder (or Noteholders) representing at least twenty-five (25) per cent. of the Adjusted Nominal Amount (such demand may only be validly made by a person who is a Noteholder on the Business Day immediately following the day on which the demand is received by the Agent and shall, if made by several Noteholders, be made by them jointly) or following an instruction given pursuant to Clause 14.4, on behalf of the Noteholders (i) by notice to the Issuer, declare all, but not some only, of the outstanding Notes due and payable together with any other amounts payable under the Finance Documents, immediately or at such later date as the Agent determines, and (ii) exercise any or all of its rights, remedies, powers and discretions under the Finance Documents, if:

- (a) the Issuer does not pay on the due date any amount payable by it under the Finance Documents, unless the non-payment:
 - (i) is caused by technical or administrative error; and
 - (ii) is remedied within five (5) Business Days from the due date;
 - (b) the Issuer does not comply with any terms or conditions of the Finance Documents to which it is a party (other than those terms referred to in paragraph (a) above), unless the non-compliance:
 - (i) is capable of remedy; and
 - (ii) is remedied within twenty (20) Business Days of the earlier of the Agent giving notice and the Issuer becoming aware of the non-compliance;
 - (c) the Terms and Conditions or any security document documenting the Transaction Security becomes invalid, ineffective or varied (other than in accordance with the provisions of the relevant document), and such invalidity, ineffectiveness or variation has a detrimental effect on the interests of the Noteholders;
 - (d) any party to the Intercreditor Agreement (other than the Agent) fails to comply with any of its obligations under the Intercreditor Agreement or the Intercreditor Agreement ceases to be binding on upon any such party for whatever reason;
 - (e) any Group Company is, or is deemed for the purposes of any applicable law to be, insolvent, other than as a result of a merger or solvent liquidation as permitted under Clause 12.5 (*Mergers*) above;
 - (f) any attachment, sequestration, distress or execution, or any analogous process in any jurisdiction, affects any asset of a Group Company and is not discharged within thirty (30) Business Days;
 - (g) any failure by the Company to comply with an undertaking designated as a condition subsequent under "*Conditions Subsequent*" in the notice of written procedure dated 1 December 2016 issued by the Agent at the request of the Company in relation to the Notes; or

- 14.2 The Agent may not accelerate the Notes in accordance with Clause 14.1 by reference to a specific Event of Default if it is no longer continuing or if it has been decided, on a Noteholders Meeting or by way of a Written Procedure, to waive such Event of Default (temporarily or permanently).
- 14.3 The Agent shall notify the Noteholders of an Event of Default within five (5) Business Days of the date on which the Agent received actual knowledge of that an Event of Default has occurred and is continuing. The Agent shall, within twenty (20) Business Days of the date on which the Agent received actual knowledge of that an Event of Default has occurred and is continuing, decide if the Notes shall be so accelerated. If the Agent decides not to accelerate the Notes, the Agent shall promptly seek instructions from the Noteholders in

accordance with Clause 16 (*Decisions by Noteholders*). The Agent shall always be entitled to take the time necessary to consider whether an occurred event constitutes an Event of Default.

- 14.4 If the Noteholders instruct the Agent to accelerate the Notes, the Agent shall promptly declare the Notes due and payable and take such actions as may, in the opinion of the Agent, be necessary or desirable to enforce the rights of the Noteholders under the Finance Documents, unless the relevant Event of Default is no longer continuing.
- 14.5 If the right to accelerate the Notes is based upon a decision of a court of law or a government authority, it is not necessary that the decision has become enforceable under law or that the period of appeal has expired in order for cause of acceleration to be deemed to exist.
- 14.6 In the event of an acceleration of the Notes in accordance with this Clause 14, the Issuer shall redeem all Notes becoming due and payable prior to the First Call Date at an amount per Note equal to 105.00 per cent. of the Nominal Amount and, if the Notes are accelerated on or after the First Call Date, at the applicable ~~Call~~ Option Amount.

15. Distribution of Proceeds

15.1 All payments by the Issuer relating to the Notes and the Finance Documents following an acceleration of the Notes in accordance with Clause 14 (*Acceleration of the Notes*) and any proceeds received from an enforcement of the Transaction Security shall be distributed in the following order of priority, in accordance with the instructions of the Agent:

- (a) *first*, in or towards payment *pro rata* of (i) all unpaid fees, costs, expenses and indemnities payable by the Issuer to the Agent in accordance with the Agency Agreement (other than any indemnity given for liability against the Noteholders), (ii) other costs, expenses and indemnities relating to the acceleration of the Notes, the enforcement of the Transaction Security or the protection of the Noteholders' rights as may have been incurred by the Agent, (iii) any costs incurred by the Agent for external experts that have not been reimbursed by the Issuer in accordance with Clause 20.2.5, and (iv) any costs and expenses incurred by the Agent in relation to a Noteholders' Meeting or a Written Procedure that have not been reimbursed by the Issuer in accordance with Clause 16.13;
- (b) *secondly*, in or towards payment *pro rata* of accrued but unpaid Interest under the Notes (Interest due on an earlier Interest Payment Date to be paid before any Interest due on a later Interest Payment Date);
- (c) *thirdly*, in or towards payment *pro rata* of any unpaid principal under the Notes; and
- (d) *fourthly*, in or towards payment *pro rata* of any other costs or outstanding amounts unpaid under the Finance Documents.

Any excess funds after the application of proceeds in accordance with paragraphs (a) to (d) above shall be paid to the Issuer.

- 15.2 If a Noteholder or another party has paid any fees, costs, expenses or indemnities referred to in Clause 15.1(a), such Noteholder or other party shall be entitled to reimbursement by way of a corresponding distribution in accordance with Clause 15.1(a).
- 15.3 Funds that the Agent receives (directly or indirectly) in connection with the acceleration of the Notes or the enforcement of the Transaction Security constitute escrow funds (*redovisningsmedel*) and must be held on a separate interest-bearing account on behalf of the Noteholders and the other interested parties. The Agent shall arrange for payments of such funds in accordance with this Clause 15 as soon as reasonably practicable.

15.4 If the Issuer or the Agent shall make any payment under this Clause 15, the Issuer or the Agent, as applicable, shall notify the Noteholders of any such payment at least fifteen (15) Business Days before the payment is made. Such notice shall specify the Record Date, the payment date and the amount to be paid. Notwithstanding the foregoing, for any Interest due but unpaid the Record Date specified in Clause 7.1 shall apply.

16. Decisions by Noteholders

16.1 A request by the Agent for a decision by the Noteholders on a matter relating to the Finance Documents shall (at the option of the Agent) be dealt with at a Noteholders' Meeting or by way of a Written Procedure.

16.2 Any request from the Issuer or a Noteholder (or Noteholders) representing at least ten (10) per cent. of the Adjusted Nominal Amount (such request may only be validly made by a person who is a Noteholder on the Business Day immediately following the day on which the request is received by the Agent and shall, if made by several Noteholders, be made by them jointly) for a decision by the Noteholders on a matter relating to the Finance Documents shall be directed to the Agent and dealt with at a Noteholders' Meeting or by way a Written Procedure, as determined by the Agent. The person requesting the decision may suggest the form for decision making, but if it is in the Agent's opinion more appropriate that a matter is dealt with at a Noteholders' Meeting than by way of a Written Procedure, it shall be dealt with at a Noteholders' Meeting.

16.3 The Agent may refrain from convening a Noteholders' Meeting or instigating a Written Procedure if (i) the suggested decision must be approved by any person in addition to the Noteholders and such person has informed the Agent that an approval will not be given, or (ii) the suggested decision is not in accordance with applicable laws.

16.4 Only a person who is, or who has been provided with a power of attorney pursuant to Clause 6 (*Right to act on behalf of a Noteholder*) from a person who is, registered as a Noteholder:

 - (i) early redemption of the Notes, other than upon an acceleration of the Notes pursuant to Clause 14 (*Acceleration of the Notes*) or as otherwise permitted or required by these Terms and Conditions.
- 16.6 Any matter not covered by Clause 16.5 shall require the consent of Noteholders representing more than fifty (50) per cent. of the Adjusted Nominal Amount for which Noteholders are voting at a Noteholders' Meeting or for which Noteholders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 18.3. This includes, but is not limited to, any amendment to, or waiver of, the terms of any Finance Document that does not require a higher majority (other than an amendment permitted pursuant to Clause 19.1(a) or (b)), an acceleration of the Notes, or the enforcement of any Transaction Security.
- 16.7 Quorum at a Noteholders' Meeting or in respect of a Written Procedure only exists if a Noteholder (or Noteholders) representing at least fifty (50) per cent. of the Adjusted Nominal Amount in case of a matter pursuant to Clause 16.5, and otherwise twenty (20) per cent. of the Adjusted Nominal Amount:
- (a) if at a Noteholders' Meeting, attend the meeting in person or by telephone conference (or appear through duly authorised representatives); or
 - (b) if in respect of a Written Procedure, reply to the request.
- 16.8 If a quorum does not exist at a Noteholders' Meeting or in respect of a Written Procedure, the Agent or the Issuer shall convene a second Noteholders' Meeting (in accordance with Clause 17.1) or initiate a second Written Procedure (in accordance with Clause 18.1), as the case may be, provided that the relevant proposal has not been withdrawn by the person(s) who initiated the procedure for Noteholders' consent. The quorum requirement in Clause 16.7 shall not apply to such second Noteholders' Meeting or Written Procedure.
- 16.9 Any decision which extends or increases the obligations of the Issuer or the Agent, or limits, reduces or extinguishes the rights or benefits of the Issuer or the Agent, under the Finance Documents shall be subject to the Issuer's or the Agent's consent, as appropriate.
- 16.10 A Noteholder holding more than one Note need not use all its votes or cast all the votes to which it is entitled in the same way and may in its discretion use or cast some of its votes only.
- 16.11 The Issuer may not, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Noteholder for or as inducement to any consent under these Terms and Conditions, unless such consideration is offered to all Noteholders that consent at the relevant Noteholders' Meeting or in a Written Procedure within the time period stipulated for the consideration to be payable or the time period for replies in the Written Procedure, as the case may be.
- 16.12 A matter decided at a duly convened and held Noteholders' Meeting or by way of Written Procedure is binding on all Noteholders, irrespective of them being present or represented at the Noteholders' Meeting or responding in the Written Procedure. The Noteholders that have not adopted or voted for a decision shall not be liable for any damages that this may cause other Noteholders.

- 16.13 All costs and expenses incurred by the Issuer or the Agent for the purpose of convening a Noteholders' Meeting or for the purpose of carrying out a Written Procedure, including reasonable fees to the Agent, shall be paid by the Issuer.
- 16.14 If a decision shall be taken by the Noteholders on a matter relating to the Finance Documents, the Issuer shall promptly at the request of the Agent provide the Agent with a certificate specifying the number of Notes owned by Group Companies or (to the knowledge of the Issuer) Affiliates, irrespective of whether such person is directly registered as owner of such Notes. The Agent shall not be responsible for the accuracy of such certificate or otherwise be responsible to determine whether a Note is owned by a Group Company or an Affiliate.
- 16.15 Information about decisions taken at a Noteholders' Meeting or by way of a Written Procedure shall promptly be sent by notice to the Noteholders and published on the websites of the Issuer and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. The minutes from the relevant Noteholders' Meeting or Written Procedure shall at the request of a Noteholder be sent to it by the Issuer or the Agent, as applicable.

17. Noteholders' Meeting

- 17.1 The Agent shall convene a Noteholders' Meeting by sending a notice thereof to each Noteholder no later than five (5) Business Days after receipt of a request from the Issuer or the Noteholder(s) (or such later date as may be necessary for technical or administrative reasons).
- 17.2 Should the Issuer want to replace the Agent, it may convene a Noteholders' Meeting in accordance with Clause 17.1 with a copy to the Agent. After a request from the Noteholders pursuant to Clause 20.4.3, the Issuer shall no later than five (5) Business Days after receipt of such request (or such later date as may be necessary for technical or administrative reasons) convene a Noteholders' Meeting in accordance with Clause 17.1.
- 17.3 The notice pursuant to Clause 17.1 shall include (i) time for the meeting, (ii) place for the meeting, (iii) agenda for the meeting (including each request for a decision by the Noteholders) and (iv) a form of power of attorney. Only matters that have been included in the notice may be resolved upon at the Noteholders' Meeting. Should prior notification by the Noteholders be required in order to attend the Noteholders' Meeting, such requirement shall be included in the notice.
- 17.4 The Noteholders' Meeting shall be held no earlier than fifteen (15) Business Days and no later than thirty (30) Business Days from date of the notice.
- 17.5 Without amending or varying these Terms and Conditions, the Agent may prescribe such further regulations regarding the convening and holding of a Noteholders' Meeting as the Agent may deem appropriate. Such regulations may include a possibility for Noteholders to vote without attending the meeting in person.

18. Written Procedure

- 18.1 The Agent shall instigate a Written Procedure no later than five (5) Business Days after receipt of a request from the Issuer or the Noteholder(s) (or such later date as may be necessary for technical or administrative reasons) by sending a communication to each such person who is registered as a Noteholder on the Record Date prior to the date on which the communication is sent.
- 18.2 Should the Issuer want to replace the Agent, it may send a communication in accordance with Clause 18.1 to each Noteholder with a copy to the Agent.

18.3 A communication pursuant to Clause 18.1 shall include (i) each request for a decision by the Noteholders, (ii) a description of the reasons for each request, (iii) a specification of the Business Day on which a person must be registered as a Noteholder in order to be entitled to exercise voting rights, (iv) instructions and directions on where to receive a form for replying to the request (such form to include an option to vote yes or no for each request) as well as a form of power of attorney, and (v) the stipulated time period within which the Noteholder must reply to the request (such time period to last at least fifteen (15) Business Days from the date of the communication pursuant to Clause 18.1). If the voting shall be made electronically, instructions for such voting shall be included in the communication.

18.4 When the requisite majority consents of the total Adjusted Nominal Amount pursuant to Clauses 16.5 and 16.6 have been received in a Written Procedure, the relevant decision shall be deemed to be adopted pursuant to Clause 16.5 or 16.6, as the case may be, even if the time period for replies in the Written Procedure has not yet expired.

19. Amendments and Waivers

19.1 The Issuer and the Agent (acting on behalf of the Noteholders) may agree to amend the Finance Documents or waive any provision in a Finance Document, provided that:

- (a) such amendment or waiver is not detrimental to the interest of the Noteholders, or is made solely for the purpose of rectifying obvious errors and mistakes;
- (b) such amendment or waiver is required by applicable law, a court ruling or a decision by a relevant authority; or
- (c) such amendment or waiver has been duly approved by the Noteholders in accordance with Clause 16 (*Decisions by Noteholders*).

19.2 The consent of the Noteholders is not necessary to approve the particular form of any amendment to the Finance Documents. It is sufficient if such consent approves the substance of the amendment.

19.3 The Agent shall promptly notify the Noteholders of any amendments or waivers made in accordance with Clause 19.1, setting out the date from which the amendment or waiver will be effective, and ensure that any amendments to the Finance Documents are published in the manner stipulated in Clause 11.3 (*Publication of Finance Documents*). The Issuer shall ensure that any amendments to the Finance Documents are duly registered with the CSD and each other relevant organisation or authority.

19.4 An amendment to the Finance Documents shall take effect on the date determined by the Noteholders' Meeting, in the Written Procedure or by the Agent, as the case may be.

20. Appointment and Replacement of the Agent

20.1 Appointment of Agent

20.1.1 By subscribing for Notes, each initial Noteholder appoints the Agent to act as its agent in all matters relating to the Notes and the Finance Documents, and authorises the Agent to act on its behalf (without first having to obtain its consent, unless such consent is specifically required by these Terms and Conditions) in any legal or arbitration proceedings relating to the Notes held by such Noteholder including any legal or arbitration proceeding relating to the perfection, preservation, protection or enforcement of the Transaction Security. By acquiring Notes, each subsequent Noteholder confirms such appointment and authorisation for the Agent to act on its behalf.

20.1.2 Each Noteholder shall immediately upon request provide the Agent with any such documents, including a written power of attorney (in form and substance satisfactory to the Agent), that the Agent deems necessary for the purpose of exercising its rights and/or

carrying out its duties under the Finance Documents. The Agent is under no obligation to represent a Noteholder which does not comply with such request.

- 20.1.3 The Issuer shall promptly upon request provide the Agent with any documents and other assistance (in form and substance satisfactory to the Agent), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Finance Documents.
- 20.1.4 The Agent is entitled to fees for its work and to be indemnified for costs, losses and liabilities on the terms set out in the Finance Documents and the Agency Agreement and the Agent's obligations as Agent under the Finance Documents are conditional upon the due payment of such fees and indemnifications.
- 20.1.5 The Agent may act as agent or trustee for several issues of securities issued by or relating to the Issuer and other Group Companies notwithstanding potential conflicts of interest.
- 20.1.6 The Agent is appointed in accordance with the requirements of the laws of the Kingdom of Sweden and the Kingdom of Denmark.

20.2 Duties of the Agent

- 20.2.1 The Agent shall represent the Noteholders in accordance with the Finance Documents, including, *inter alia*, holding the Transaction Security pursuant to the Security Documents on behalf of the Noteholders and, where relevant, enforcing the Transaction Security on behalf of the Noteholders. Except as specified in Clause 4 (*Conditions for disbursement*), the Agent is not responsible for the execution or enforceability of the Finance Documents or the perfection of the Transaction Security.
- 20.2.2 When acting in accordance with the Finance Documents, the Agent is always acting with binding effect on behalf of the Noteholders. The Agent shall carry out its duties under the Finance Documents in a reasonable, proficient and professional manner, with reasonable care and skill.
- 20.2.3 The Agent is entitled to delegate its duties to other professional parties, but the Agent shall remain liable for the actions of such parties under the Finance Documents.
- 20.2.4 The Agent shall treat all Noteholders equally and, when acting pursuant to the Finance Documents, act with regard only to the interests of the Noteholders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Finance Documents.
- 20.2.5 The Agent is entitled to engage external experts when carrying out its duties under the Finance Documents. The Issuer shall on demand by the Agent pay all costs for external experts engaged after the occurrence of an Event of Default, or for the purpose of investigating or considering (i) an event which the Agent reasonably believes is or may lead to an Event of Default or (ii) a matter relating to the Issuer or the Transaction Security which the Agent reasonably believes may be detrimental to the interests of the Noteholders under the Finance Documents. Any compensation for damages or other recoveries received by the Agent from external experts engaged by it for the purpose of carrying out its duties under the Finance Documents shall be distributed in accordance with Clause 15 (*Distribution of proceeds*).
- 20.2.6 Notwithstanding any other provision of the Finance Documents to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- 20.2.7 If in the Agent's reasonable opinion the cost, loss or liability which it may incur (including reasonable fees to the Agent) in complying with instructions of the Noteholders, or taking any action at its own initiative, will not be covered by the Issuer, the Agent may refrain from acting in accordance with such instructions, or taking such action, until it has received such

- funding or indemnities (or adequate Security has been provided therefore) as it may reasonably require.
- 20.2.8 The Agent shall give a notice to the Noteholders (i) before it ceases to perform its obligations under the Finance Documents by reason of the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or the Agency Agreement or (ii) if it refrains from acting for any reason described in Clause 20.2.7.
- 20.2.9 The Agent shall make reasonable efforts to be publicly registered in the Danish Financial Services Authority's register of bondholder representatives.
- 20.3 Limited liability for the Agent**
- 20.3.1 The Agent will not be liable to the Noteholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct. The Agent shall never be responsible for indirect loss.
- 20.3.2 The Agent shall not be considered to have acted negligently if it has acted in accordance with advice from or opinions of reputable external experts engaged by the Agent or if the Agent has acted with reasonable care in a situation when the Agent considers that it is detrimental to the interests of the Noteholders to delay the action in order to first obtain instructions from the Noteholders.
- 20.3.3 The Agent shall not be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to the Finance Documents to be paid by the Agent to the Noteholders, provided that the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
- 20.3.4 The Agent shall have no liability to the Noteholders for damage caused by the Agent acting in accordance with instructions of the Noteholders given in accordance with Clause 16 (*Decisions by Noteholders*) or a demand by Noteholders given pursuant to Clause 14.1.
- 20.3.5 Any liability towards the Issuer which is incurred by the Agent in acting under, or in relation to, the Finance Documents shall not be subject to set-off against the obligations of the Issuer to the Noteholders under the Finance Documents.
- 20.4 Replacement of the Agent**
- 20.4.1 Subject to Clause 20.4.6, the Agent may resign by giving notice to the Issuer and the Noteholders, in which case the Noteholders shall appoint a successor Agent at a Noteholders' Meeting convened by the retiring Agent or by way of Written Procedure initiated by the retiring Agent.
- 20.4.2 Subject to Clause 20.4.6, if the Agent is insolvent, the Agent shall be deemed to resign as Agent and the Issuer shall within ten (10) Business Days appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- 20.4.3 A Noteholder (or Noteholders) representing at least ten (10) per cent. of the Adjusted Nominal Amount may, by notice to the Issuer (such notice may only be validly given by a person who is a Noteholder on the Business Day immediately following the day on which the notice is received by the Issuer and shall, if given by several Noteholders, be given by them jointly), require that a Noteholders' Meeting is held for the purpose of dismissing the Agent and appointing a new Agent. The Issuer may, at a Noteholders' Meeting convened by it or by way of Written Procedure initiated by it, propose to the Noteholders that the Agent be dismissed and a new Agent appointed.
- 20.4.4 If the Noteholders have not appointed a successor Agent within ninety (90) days after (i) the earlier of the notice of resignation was given or the resignation otherwise took place or (ii)

- the Agent was dismissed through a decision by the Noteholders, the Issuer shall appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- 20.4.5 The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- 20.4.6 The Agent's resignation or dismissal shall only take effect upon the appointment of a successor Agent and acceptance by such successor Agent of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent.
- 20.4.7 Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of the Finance Documents and remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Agent. Its successor, the Issuer and each of the Noteholders shall have the same rights and obligations amongst themselves under the Finance Documents as they would have had if such successor had been the original Agent.
- 20.4.8 In the event that there is a change of the Agent in accordance with this Clause 20.4, the Issuer shall execute such documents and take such actions as the new Agent may reasonably require for the purpose of vesting in such new Agent the rights, powers and obligation of the Agent and releasing the retiring Agent from its further obligations under the Finance Documents and the Agency Agreement. Unless the Issuer and the new Agent agrees otherwise, the new Agent shall be entitled to the same fees and the same indemnities as the retiring Agent.

21. Appointment and Replacement of the Issuing Agent

- 21.1 The Issuer appoints the Issuing Agent to manage certain specified tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to and/or issued by the CSD and relating to the Notes.
- 21.2 The Issuing Agent may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has approved that a commercial bank or securities institution approved by the CSD accedes as new Issuing Agent at the same time as the old Issuing Agent retires or is dismissed. If the Issuing Agent is insolvent, the Issuer shall immediately appoint a new Issuing Agent, which shall replace the old Issuing Agent as issuing agent in accordance with these Terms and Conditions.

22. No Direct Actions by Noteholders

- 22.1 A Noteholder may not take any steps whatsoever against the Issuer or with respect to the Transaction Security to enforce or recover any amount due or owing to it pursuant to the Finance Documents, or to initiate, support or procure the winding-up, dissolution, liquidation, company reorganisation (*företagsrekonstruktion*) or bankruptcy (*konkurs*) (or its equivalent in any other jurisdiction) of the Issuer in relation to any of the liabilities of the Issuer under the Finance Documents.
- 22.2 Clause 22.1 shall not apply if the Agent has been instructed by the Noteholders in accordance with the Finance Documents to take certain actions but fails for any reason to take, or is unable to take (for any reason other than a failure by a Noteholder to provide documents in accordance with Clause 20.1.2), such actions within a reasonable period of time and such failure or inability is continuing. However, if the failure to take certain actions is caused by the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or the Agency Agreement or by any reason described in Clause 20.2.7, such failure must continue for at least forty (40) Business Days after notice

pursuant to Clause 20.2.8 before a Noteholder may take any action referred to in Clause 22.1.

Company Announcement

5 MARCH 2018

Financial position update and confirmation of support from majority of ad-hoc noteholder committee for Moby life's restructuring proposal

As notified in the company announcement dated 22 February 2018, Moby life Holding A/ S (the "Company" and together with its subsidiaries, the "Group") has been in discussions with an informal committee of noteholders (the "Committee") regarding the potential restructuring of the Company's outstanding senior secured notes due 2020 (the "Notes"). The Company hereby wishes to announce that it has reached agreement with the majority of the Committee and to disclose details of the restructuring proposal as well as the reasons behind the need for the restructuring, the recent suspension of interest under the Notes and the delay in publication of the annual report.

SUMMARY OF THE COMPANY'S FINANCIAL POSITION

Based on the severely deteriorated financial position of Moby life Holding A/ S as described in detail below, the Company is of the opinion that it is unable to continue as a going concern without an immediate capital injection. However, the majority shareholder of the Company, CC Orange Invest ApS (the "Owner"), has agreed to provide the necessary funding to continue operations. However, such support is conditional on the full redemption of the Notes in accordance with the Proposal described in further detail below. The Proposal will require amendments to the terms and conditions of the Notes which will be put to the holders of the Notes for their consideration as a written resolution, in accordance with the terms and conditions of the Notes. The Proposal has the support of a significant majority of the Committee. The Proposal will enable the Company to make a full redemption of all outstanding Notes for a total payment for of SEK 120 per SEK 1,000 in nominal amount of Notes (including accrued and unpaid interest and any accrued default interest). The redemption will be funded by way of a capital injection from the Owner that will also provide cash to ensure going concern.

PRELIMINARY FINANCIAL HIGHLIGHTS FOR Q4 2017 (1 OCTOBER - 31 DECEMBER 2017)

The financial position of the Group has further deteriorated during Q4 2017 due to a continued poor performance of the Repair business, and a further decline in the Distribution business. At a group level, management expects YTD revenue of DKK 587.2 million, and YTD EBITDA of DKK 29.7 million; however, with a FY net cash flow of DKK -22.3 million and a year-end cash position of DKK 1.7 million vs. a DKK 24.0 million cash position at year-end 2016.

The Repair business has been negatively impacted by a reduction in volume across most sites driven by a continued loss of market share to the unauthorized market. In turn, the number of repairs in 2017 amounted to 779k compared to 926k in 2016 equivalent to a decline of 16%. At the same time profitability is increasingly challenged by increasing price pressure in the market and new and more time-consuming requirements by customers in regard to testing, service and IT integration, which so far have only been partially recoverable.

The Distribution business has seen a sharp decline in activity level in Q4 compared to previous quarters due to lower availability of spare parts from the main OEM supplier. This has impacted both profits and the cash position negatively as the Distribution business benefits from a cash positive payment profile with immediate customer payments.

In Q4 the Company revealed significant accounting errors pertaining to its repair business in Finland. This has led to certain prior months adjustments to both revenue, COGS and earnings in Moby life OY. The accounting errors are of a recurring nature and have the effect that the underlying profitability of the repair business in Finland is lower than previously assumed adding further to the underperformance of the Group's repair business.

Based on the preliminary numbers for Q4 2017 and subject to final audit, management can confirm that no Event of Default under the company's outstanding debt securities had occurred as at 31 December 2017. However, the suspension of interest due on 23 February constituted an Event of Default as of 23 February (see, also the outlook below).

NEGATIVE CASH FLOW DEVELOPMENT

The Company expects an improved EBITDA in FY 2017 compared to FY 2016, however much of the improvement has been driven by an adjustment of payable accruals of DKK 12.4m. In addition, the company continues to have a significant capex need mostly related to investments in intangible assets driven by customer requirements. In turn, the net cash flow for FY 2017 equals DKK -22.3m, thus reducing the cash balance to only DKK 1.7m end of year.

OUTLOOK FOR Q1 / THE NEAR FUTURE

In December 2017 Moby life was advised by its key spare parts OEM distribution partner that Moby life's right to distribute its spares parts would be terminated in 2018. This follows the significant reduction in spare parts available for distribution seen as from September 2017. Although the distribution right has not yet been formally terminated, the activity continues to be very low in comparison with prior years and the OEM has re-confirmed the intention to terminate the partnership shortly. As communicated in the interim reports in 2017, the earnings from the Distribution business have been strong and partially compensated for negative cash flow from the Repair business in the first 3 quarters of 2017. As a result, the decline in Distribution revenues and expected termination of the activity has a significant negative effect on current and expected future earnings.

Further, a key OEM customer has notified Moby life of its intention to move a significant part of its repair volume (both in-warranty and out-of-warranty) from the Company to another repair vendor outside the Nordics. This intended move has been confirmed by certain of Moby life's channel partners who have received the same information from the key OEM. If and when this materializes it will have a significant negative impact on the Company's operations.

The company's cash position as of 31 December 2017 amounted to DKK 1.7 million corresponding to a headroom of only DKK 11.7 million given the company's revolving credit facilities of DKK 10 million.

Although the Company has reduced overdue debtors at the start of 2018, the company's monthly net cash flow is still expected to remain negative as the Repair business continues to be loss-making and the Distribution business is at a historic low and expected to disappear in the short term.

In turn, the Company has been unable to pay interest on the bonds on 23 February 2018 leading to an Event of Default. Furthermore, based on recent developments the Company will not be able to continue operations throughout the next months without a capital injection.

In addition to the immediate need for a capital injection, management does not expect to be able to pass the next covenant test on 31 March 2018.

Agreed restructuring proposal

As noted in the financial report above, the Group is in need of an immediate capital injection to continue operations. In addition, the board of directors of the Company has received legal advice that such capital injection

is necessary to continue as a going concern. In the absence of such capital injection it is the opinion of the Danish law legal advisor to the Company that the Company would be obliged to file for bankruptcy.

The majority shareholder of the Company, CC Orange Invest ApS has offered to provide financial support to the Company subject to the redemption of all outstanding Notes on the terms stated below (the "Proposal"). To that end the Company and the Owner initiated a dialogue with an informal committee of holders of Notes, currently representing MSEK 93.75 of principal amount of Notes.

The members of the Committee have voted either in support of, or against, the Proposal. The result of such vote is that holders representing MSEK 81.9 of principal amount of Notes, or approximately 87.36% of the aggregate amount of principal held by the Committee, has voted in support of the Proposal and has (to the extent eligible to vote) committed to vote in favour of the Proposal in the proposed Noteholder procedure. Holders representing MSEK 5.9 of principal amount of Notes, or approximately 6.29% of the aggregate amount of principal held by the Committee, voted against the Proposal.

The Proposal voted on by the Committee is to amend the terms to enable a mandatory redemption of all outstanding Notes at a price of 12 per cent. of their nominal amount (being SEK120 per SEK1,000 of nominal amount, including accrued and unpaid interest (including default interest on interest due on 23 February 2018 in accordance with the terms and conditions of the Notes)).

Following this announcement, a written procedure will be launched to request the holders of the Notes to vote on the Proposal with the support of the majority of the Committee in accordance with the terms and conditions of the Notes.

If the written resolution is passed in favour of the Proposal, the Company will exercise the mandatory redemption of all outstanding Notes promptly following the date it is passed and the settlement will take place within approximately 10 to 20 business days of the option being exercised.

The funding of the redemption and additional cash for the future operations of the Company will be provided by the Company's parent company, CC Orange Invest ApS, along with a guarantee from CataCap to provide the funding for the redemption, subject to approval of the Proposal.
